

eBooks on Mysticism

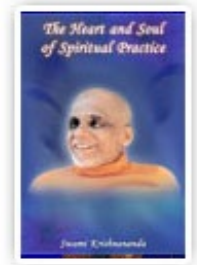

My Life

The autobiography of Swami Krishnananda. A moving story.

The Heart and Soul of Spiritual Practice

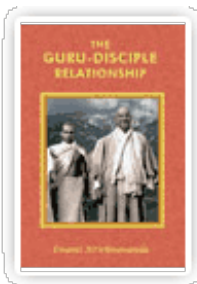

A comprehensive guide covering the essential aspects of spiritual practice, especially love of God and meditation.

The Guru-Disciple Relationship

Swamiji outlines the origin and development of Sannyas from earliest times until the present day, the relationship of disciples with their Gurus, and his own experience as disciple of Sri Swami Sivanandaji Maharaj.

[Spanish translation](#)

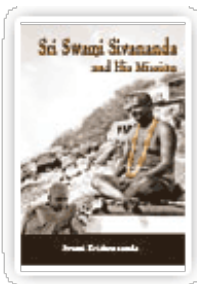

Sri Swami Sivananda and His Mission

Here is a potent account that will give the heart a glimpse into the journey of a great saint and master of our times, and the struggles, trials and tribulations which were the foundation of what is The Divine Life Society.

The Struggle for Perfection

Mystical relations obtaining between the internal and external realities, together with instructions on the methods of internal meditations.

The Development of Religious Consciousness

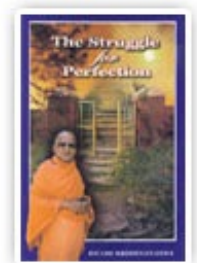

Describes the awakening of religious consciousness, the descent theories of religious creationism and big bang vs. the ascent theory of Darwinian evolution, and the history of religious consciousness including Kant, Hegel, Descartes and Shankaracharya.

The Philosophical Foundations of Religious Consciousness

The five different stages of religious consciousness are described.

The Nature of the True Religious Life

Swamiji describes what a true religious life is and how to attain it.

The Foundation of Spirituality

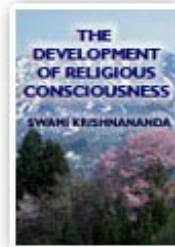

A series of lectures that Swamiji gave during the Ashram's annual Sadhana Week in July 1983.

A Messenger of Peace and Wisdom

The souvenir published for the occasion of the 75th birthday of Swami Krishnananda. Contains writings by Swamiji as well as articles by devotees about Swamiji.

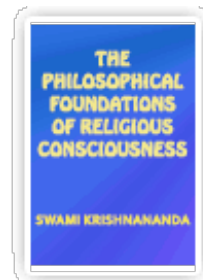

Fruit from the Garden of Wisdom

Various themes of Swami Krishnananda's writings compiled for his 75th birthday. Covers a wide range of interesting topics.

Thus Awakens the Awakened One

A compilation of quotations, divided into 7 categories, on important subjects relevant to the spiritual seeker.

Interior Pilgrimage

Contains a variety of 65 subjects in Swami Krishnananda's own handwriting, representing the quintessence of Swamiji's thought.
